Mark your Banner perimeter and install BannerFrameHinge 1.5" off the outline

Pull BannerSpring tips Through pre-marked holes along banner perimeter

Close Cover Sections.

Enjoy Flawless appearance with easy changeouts in minutes

Lind BannerFrameHINGE, featuring attached cover sections, enables easy installations, with even easier change-outs, every time!

Engineered spring and hook technology means no cables, grommets, tracks, tension rods or tools. Much like the simplicity of a trampoline, BannerFrameHINGE provides tight, wrinkle free, sag free, professional installations, in minutes, every time.

Developed and proven on Billboards in extreme Great Lakes conditions, Lind SignSpring Products are unequalled from the smallest P-O-P banner displays to the largest urban wallscapes and billboards.

There is no simpler or better technique for fabric graphic installation.
